DEMURRER TO SUIT AGAINST MELLEN FILED

NEW HAVEN, CONN., November 21.—
A demurrer to the suit of the New York, New Haven and Hartford Railroad Company and the New England Navigation Company against Charles S. Mellen, former president of the New Haven, and John L. Hillard, Samuel Hemingway and Charles F. Linsley, former directors of the Billard Company, was filed in Superior Gourt today.

day.

The suit was brought to recover \$3,825,147 alleged to have been profit accruing to the Billard Company from the transfer of the Boston and Maine Railroad by the New Haven to the Bil-lard Company.

Kidneys Should Not Be Neglected

The most important organs of climi-The most important organs of climination are the kidneys and they must be kept clean and active, so they may remove the poisonous waste matter which otherwise returns to the circulation and finds its way to all parts of the body. If you're nervous, lack ambition and have backache and indigestion, it's almost certain that the functions of the kidneys, to remove impurities is impaired and should be remedied immediately. With its abilty to keep the kidneys acting freely and instance, the United States.

It is considered remarkable that the circular should have reached its destination. If its contents had been displeasing to the German censor, it never would have passed the frontier.

Should the enemy march into Germany, the people would feel that they have been misled by the government as to the trend of the war.

Germany, public men at The Hague believe, will try to hold Belgium at all costs until peace negotiations are opened. A strong second line of defense has been prepared in Belgium. Roughly, it runs from Antwerp to Mons. A third line is being prepared along the Meuse River.
